

EL FINAL

DE LA NOCHE

Un largometraje de IGELDO KOMUNIKAZIOA S.L. dirigido por PATXI BARCO

Synopsis

The last victim of the multiple murder dies after having spent five years in coma. Raquel, a graphic designer in a newspaper, gets an order to reproduce the details of that incident which disturbed the community because of its cruelty.

That very same night Raquel lost her husband in an accident so this job involves her to go through that especially tragic for her night. Even though she rebuilt her life with Javier, she couldn't avoid the permanent sensation of disquiet, especially after what has happened later.

While she is advancing in her job she suspects that both incidents could have been connected and it makes her think that in her memory there is a clue for that. The uncertainty in which she lives now is torturing her.

Meanwhile, Ismael, condemned for participation in that multiple crime comes out of the prison to the provisional freedom...
