In **BOYSTOWN** (Chuecatown), Victor (Pablo Puyol of *20 Centimeters*) is a real estate agent in the quickly gentrifying neighborhood of Chueca in Madrid. But he hides a terrible secret; his apartments become available for sale when he murders the elderly women owners and disguises them as "suicides." Then Victor quickly refurbishes the apartments to upwardly-mobile gay couples because his ultimate goal is to transform the neighborhood into a hip "gayborhood" like the Castro in San Francisco and Chelsea in New York.

The latest victim's apartment is next door to gay couple Ray (Carlos Fuentes of *Kilometer Zero*) and Leo (Pepón Nieto of *Bulgarian Lovers*) who eventually inherit the apartment and offer it as a gift to Ray's mother Antonia (Concha Velasco of *Kilometer Zero*). But Victor only wants high income gays to move in and he begins a plot to remove Antonia from the premises. Toss in the eccentric Inspector Mila (Rosa Maria Sardà of *All About My Mother*) and her charmingly clueless son Luis, assigned to investigate the murders, and soon the neighborhood of Chueca is brimming with comic mishaps, sexy seductions and more murders!
