LOVE AND TERRORISM COLLIDE IN THIS SEXY MOLOTOV COCKTAIL of raging adolescent hormones and righteous indignation. When three virile teen boys escape from a detention center, their charismatic leader Xabi has more on his mind than good times and dodging cops. While his clueless friends blissfully hook up with girls, the hoodlum is making explosives and tracking down his lover Iñaki - head of a Basque terrorist cell. Desperate to prove himself to the silvery-haired extremist, Xabi plants bombs and robs unsuspecting johns. But when one of his tricks turns out to be a cop, his plans begin to crumble.
